Cathie, we are working with Brittany and I expect we will get things wrapped up here in the next couple days. How about we touch base with you then and then we can all work to get something set up for next week?

All,

I am checking in to see how you are coming along with your review of the latest draft and to see if you would like to schedule a meeting this week or next week to discuss. I know we are all eager to get this project started, so I'd like to schedule a meeting sooner rather than later if possible.

Thanks!
